7. **Educational Qualifications** :

S. No.	Qualifications	Year	University
1.	MD (Homoeo)	2004	From Baba Saheb Ambedkar Maratwada University
2.	Hon. Ph. D (Homoeopathy)	2020	From Common Wealth Vocational

			University
3.	M.B.S. (Homoeo)	1984	From Osmania University
4.	M. Sc. (Zoology)	1992	From Annamalai University
5.	M. Sc., (Microbiology)	2006	From Acharya Nagarjuna University
6.	M.A. (Psychology)	1988	From Annamalai University.
7.	M.A. (Sociology)	1986	From Osmania University
8.	DCPA (Dip. In Computer Programming & Application)	1992	From Annamalai University.
9.	PG. DNDM (Diploma in Nutrition and Dietetics Management)	1991	From ISSR – Vellore
10.	PG. DPPHC (Diploma in Preventive and Promotive Health Care)	2001	From Apollo Hospitals, Hyderabad
11.	PG. DHH (Dip. in Holistic Health Care)	2005	From Apollo Hospitals, Hyderabad
12.	PG. DBI (Dip. in Bioinformatics)	2009	From Acharya Nagarjuna University.

8. Previous Experience:

S. No.	Designation	Institution	From -- To
1.	Research Assistant (H)	Regional Research Institute (H) Gudivada	Dec' 1987 – Dec' 1994
2.	Asst. Research Officer (H)	Regional Research Institute (H): Gudivada	Dec' 1994 – Dec' 2000
3.	Asst. Research Officer (H)	Clinical Research Unit (H): Tirupati	July' 2000 – May'2003
4.	Asst. Research Officer (H)	Regional Research Institute (H): Gudivada	May' 2003 – June'2005
5.	Research Officer (H)	Regional Research Institute (H): Gudivada	July' 2005 – Dec' 2008
6.	Asst. Director (H)	CCRH, Headquarters, New Delhi.	Dec' 2008 - June'2009
7.	Asst. Director Incharge	Regional Research Institute (H): Gudivada	June' 2009 – Jan' 2010
8.	Asst. Director (H)	CCRH, Headquarters, New Delhi.	Feb' 2010 – Feb' 2011
9.	Asst. Director Incharge	Regional Research Institute (H): Gudivada	Mar'2011 & Continuing

9. Previous Clinical Research / Fundamental Collaborative Research /Supervising Experience:

S. No.	Name of the Research Project	Duration of working
1.	Osteo Arthritis	10 years

2.	Osteo Arthritis (Drug Related)	7 years
3.	Bronchial Asthma	5 years
4.	Filariasis	5 years
5.	HIV/AIDS	2 years
6.	Vitiligo	1 year
7.	Diabetic Distal Symmetric Poly Neuropathy (DDSP)	3 years
8.	Drug Proving	2 years
9.	In-charge of Collaborative Studies and Drug Proving Sections at CCRH, Headquarters, New Delhi.	1 year 7 months
10.	In-charge of Regional Research Institute (H), Gudivada	2 Years 9 months & Continuing

10. Fundamental Collaborative Research Experience in the Capacity of Co – ordinator / Co – Investigator / Co – designer:

Actively involved in 28 Collaborative Research Projects of the Council Fundamental as well as Clinical Research Projects as **Co-ordinator / Co-Investigator / Co-designer** and monitoring of the following titles of the projects at different Institutes.

Collaborative Research Projects:

1. **“Effect of Homoeopathic Drugs used in Insomnia on Serum Melatonin and Cortisol level in healthy volunteers (To study the sleep pattern)”** – At JIPMER, Puducherry.
2. **“Effect of Homoeopathic Drugs on Central Nervous System and their safety evaluation”** – At Osmania University, Hyderabad.
3. **“Effect of Homoeopathic Drugs on Endocrinological parameteres”** – At Osmania University, Hyderabad.
4. **“To evolve a group of most efficacious Homoeopathic medicines in Benign Prostatic Hyperplasia with regard to improvement in the symptom complex”** – At Homoeopathic Research Foundation, Lucknow.
5. **“Multi-Center Study on Action of Homoeopathic medicines and potencies on HRV & BFV with Medical Analyzer System”** – At BARC, Trombay, Mumbai.
6. **“Studies on Homoeopathic medicines for the treatment of Cerebral Ischemia”** – At Jamia Hamdard, New Delhi.
7. **“A Structural of study of Homoeopathic medicines – A Pilot Study”** – At IIT, New Delhi.

8. **“Anti Lepto Spiral activities of Homoeopathic medicines”** – At RMRC, ICMR, Port Blair.
9. **“The day after effect of Arnica 30 on Delayed Onset of Muscles Soreness (DOMS)”** – At DIPAS, DRDO, New Delhi.
10. **“Effect of Homoeopathic medicines on Japanese Encephalitis Virus Infection on CAM & Suckling Mice”** – At School of Tropical Medicine, Kolkata.
11. **“To study the In – Vivo efficacy of a panel of Homoeopathic drugs against H5N1 Virus in Chicken”** – At HSADL, Bhopal.
12. **“To evaluate the Bio–Logical activity of 5 coded Homoeopathic Drugs on plants using Bacopa Test as model system”** – At CIMAP, Lucknow.
13. **“An open Clinical Trail to ascertain Role of Add on Homoeopathic Therapy in the Management of Schizophrenia”** – At CIP, Ranchi.
14. **“An open Clinical Trail to ascertain Role of Add on Homoeopathic Therapy in the Management of Depression”** – At CIP, Ranchi.
15. **“HIV Comparative Study – ART Vs ART and Add on Homoeopathic Therapy”** – At Safdarjung Hospital, New Delhi.
16. **“Exploration of the Utility of GDV Camera as a Diagnostic Instrument in the areas of Homoeopathic Fundamental Research – A Pilot Study”** – At DIPAS, DRDO, New Delhi.
17. **“A Multi centric Open Clinical Study to evaluate the efficacy of indicated Homoeopathic medicines in the management of lapse of Alcohol & Opiod Drug addictions, in the management of withdrawal symptoms of Alcohol and Opiod Drug addiction & Prevention of relapse of Alcohol and Opiod Drug Abuse of masses”** – At SPYM, New Delhi and Dargeling.
18. **“Role of Homoeopathic medicines in Cancer Regression & Rejuvenation of Depressed Immune System”** – At Bose Institute, Kolkata.
19. **“To evaluate certain Homoeopathic medicines for their Immuno – Modulatory and anti-oxidant Potentials”** – At IVRI, Izat Nagar, Bareilly, UP.
20. **“A Multi-Center Study on Action of Homoeopathic Medicines and potencies on HRV & BFV with Medical Analyzer System”** – At Dr. ACHMC, Bhubaneswar & RRI (H), Mumbai.
21. **“Anti-Diabetic Properties of Homoeopathic preparation of Syzgium Jambolanum & Cephalandra Indica”** – At Dr. ALMPGIBMS, UM, Chennai.
22. **“Protective role of Homoeopathic preparation of Berberis Vulgaris to alleviate Kidney Stone Disease & Its influence on Molecular events leading**

- to Calcium Oxalate Crystal deposition” – At Dr. ALMPGIBMS, UM, Chennai.
23. **“Pharmacological evaluation of Homoeopathic medicines”** – At CDRI, Lucknow.
 24. **“Changes in Electro - Physiological Markers in muscle fatigue with Homoeopathic preparation of Arnica Montana – A comprehensive Study”** – At IIT/AIIMS, New Delhi.
 25. **“Preliminary Pharmacological Study of Homoeopathic Drugs”** – At AIIMS, New Delhi.
 26. **“Safety & Efficacy Studies of Homoeopathic Drugs”** – At AIIMS, New Delhi.
 27. **“In – Vitro Studies of some Homoeopathic medicines on the proliferation and differentiation of Neural Stem Cells”** – At West Bengal University of Technology, Kolkata.
 28. **“Efficacy of Homoeopathic Therapy on Duration of Labour”** – At Sri Aurobindo Institute of Integral Health & Research, Ranihat, Cuttack.

New Collaborative Research Projects Proposed:

Actively interacted with Principal Investigators and technically contributed while designing the project, before submission of the project to the Council and is Co – Investigator for few studies.

1. **“Evaluation of the impact of Homoeopathic medicines with different potencies of the Bio – Physical and Molecular properties of the cells, tissues and patients”** – At BESU, Kolkata.
2. **“Homoeopathic remedies as Personalized Therapy for Cancer – An approach towards Genomic, Proteomic & Signalomic Profiling”** – At Bose Institute, Kolkata.
3. **“Effect of Homoeopathic medicines on Chikungunya Virus Infection on Cell Line & in Suckling Mice”** – At School of Tropical Medicine, Kolkata.
4. **“An investigation on the Molecular Mechanism(s) – Biological action of the Potentized Homoeopathic Drugs”** – At Kalyani University, Kalyani, West Bengal.
5. **“Exploring the Mechanism of Action of Homoeopathic Potencies through Plant Models”** – At Viswa Bharathi University, West Bengal.
6. **“A Structural Study of Homoeopathic medicines”** – At IIT, Delhi.
7. **“Effect of Homoeopathic Drugs on Dengue Virus Infection on Mosquito Cell Line & In Suckling Mice”** – At Dr. Anjali Chatterji RRI (H), Kolkata.

8. **“Estimation of Viral load, Immune response in JE Virus Infection in Adult & Suckling Mice treated with Belladonna”** – At Dr. Anjali Chatterji RRI (H), Kolkata.
9. **“Efficacy of Homoeopathic preparation Rhus Toxicodendron in Arthritis”** – At CLRI, Chennai.

New Drug Proving Pilot Research Projects Proposed:

1. **Re-proving of a Homeopathic drug by monitoring its influence on certain Immuno – endocrine - enzymatic parameters - A pilot study.**
 2. **Re-proving of a Homeopathic drug by monitoring its influence on certain Electro – Physiological parameters - A pilot study**
11. **Scientific papers presented / published / submitted at various International / National / State Homoeopathic conferences / Scientific Seminars etc.**
1. **“Role of Homoeopathy in Auto – Immune diseases”** – Paper presented at International Homoeopathic Conference held in February, 1993 at New Delhi and published in the Proceedings/Souvenir.
 2. **“Neoplasm and its Homoeopathic Management”** – Paper presented at National Homoeopathic Conference held in May, 1993 at Dehradum (U.P) and published in the Proceedings/Souvenir.
 3. **“Role of Homoeopathy in Endocrinology”**- Paper presented at National Seminar held in October, 1993 at New Delhi and published in the Proceedings/Souvenir.
 4. **“Psycho-sexual Disorders and Homoeopathic Management”** – Paper presented at IIHP State Conference held in March, 1992 at Nellore A.P and published in the Proceedings / Souvenir.
 5. **“Allergic Respiratory disorders and Homoeopathic management”**- Paper presented at Scientific Seminar held in April, 1992 at Kakinada (A.P) and published in the Proceedings / Souvenir.
 6. **“Pain and its Homoeopathic Management”** – Paper presented at IIHP State Conference held in December, 1993 at Vijayawada (A.P) and published in the Proceedings / Souvenir.
 7. **“Allergic Manifestation and Homoeopathy – An Approach to Urticaria and Angioedema”**- Paper presented at National Homoeopathic Conference 1994, held in February, 1994 at Jaipur (Rajasthan) and published in the Proceedings/Souvenir.
 8. **“Psoriasis and Homeopathic Management”** – Paper presented at National Homeopathic Conference – 1994, held in April, 1994 at Bangalore and published in the Proceedings/Souvenir.

9. **“Can Homoeopathy Delay / Slow Down The Aging Process”** – Paper published in the proceedings of the 5th Asian Homoeopathic Conference held in Dhakha in December, 1993 BHANGLADESH.
10. **“Importance of Rare Remedies : Heloderma Horridus: A case of HTN, IHD, Renal Lithiasis, DM with Diabetic Neuropathy & Lumbar Radiculopathy Secondary to Lumbar Canal Stenosis”** – paper presented at 5th National Homeopathic conference held in February, 1995 at Bombay and published in the Proceedings / Souvenir.
11. **“Importance of Mental State: A Case of Segmental Glomerulosclerosis Hypertension- Renal Insufficiency”** – Paper presented at 49th International Conference of LMHI held in March, 1995 at New Delhi and published in the Proceedings/Souvenir.
12. **“Management strategies in chronic diseases- Administration of Constitutional and Miasmatic remedies in between timely indicated remedies accelerates the cure process – A case of cutaneous T-cell lymphoma / Pyoderma gangrenosum”** – Paper presented at 7th National Homoeopathic Conference, held at New Delhi in January, 1997 and published in the Proceedings/Souvenir.
13. **“Role of Homoeopathy in Gynaecological Disorders – A case of Fibroid Uterus with Cystic ovaries & Fibro – Adenosis of Both Breasts”** – Paper presented at 7th National Homoeopathic Conference at New Delhi, January, 1997 and published in the Proceedings/Souvenir.
14. **“Spectrum Manifestation of Irritable Bowel syndrome – An approach in Homoeopathy”** – Submitted to Director, CCRH, New Delhi and published in the souvenir of Dr. GGH Medical College, Golden Jubilee Celebrations.
15. **“Conium a wonderful anti-tumor remedy few cases reports :**
 - a. **Bilateral Anterior Flax Menengioma**
 - b. **Multiple metastatic lymphnode carcinoma**
 - c. **Cerebello – Pontine angle tumor Acoustic neuroma”** – Paper presented at National Seminar on Cancer held on 29th & 30th November, 1997 at Thrissur, Kerala and published in the Proceedings/Souvenir.
16. **“Borderline Hypertension – Management in Homoeopathy”** – Paper presented at World congress on Current Progress on Homoeopathic Research held from 7th to 9th February, 1998 at Calcutta and published in the Proceedings / Souvenir.
17. **“A case report : Cirrhosis of Liver with Portal hypertension and Gastric ulcer”** – Paper presented at World Congress on current progress on Homeopathic Research held from 7th to 9th February, 1998 at Calcutta and published in the Proceedings / Souvenir.

18. **“A clinical study on Osteo – Arthritis – Efficacy of Homoeopathic Drugs”** – Paper based on Osteo – Arthritis an ongoing Research Project at RRI (H), Gudivada. Submitted to Director, CCRH, for International conference held at Malaysia.
19. **“An overview of Alzheimer’s disease – An approach in Homoeopathy”** – Paper presented at IIHP State Homoeopathic Conference held in October, 2000 at Gudivada, A.P and published in the Proceedings / Souvenir.
20. **“New Insights in to Coronary Heart Disease- Management in Homoeopathy”** – Paper presented at IIHP National conference held in November, 2000 at New Delhi and published in the Proceedings / Souvenir.
21. **“Homoeopathic management of Malignancies and Terminal phase of various disorders – Case Reports:**
 - a. **Malignant Fibrous Histiocytoma – Recurrence**
 - b. **Carcinoma lung with multiple secondaries in Spine (Terminal Phase)**
 - c. **Hepato – Renal syndrome (Terminal phase of Hepato – Renal Failure Post COL & CRF”** – Paper presented at Homoeopathic conference – 2001 held in November, 2001 at Mangalore – 573002, KARNATAKA and published in the Proceedings / Souvenir.
22. **“Coronary Heart Disease – An approach in Homoeopathy”** – Paper presented at AP State Homoeopathic Scientific Seminar held in February, 2002 at Eluru, AP published in the Souvenir New Similimum.
23. **“Measures to Improve the Success Rate of Homoeopathy”** – Paper submitted to Director, CCRH, New Delhi for the purpose of international Conference at London, published in Souvenir Sugam released on the occasion of seminar on Homoeopathy and Research Trends held at Gudivada, September, 2007, sponsored by CCRH.
24. **“Suggestions for improvement of Research and undertaking new Research projects”** – Paper submitted to Director, CCRH, New Delhi.
25. **“An overview of Vitiligo An Experimental Clinical study with Aresnicum Sulfum Flavum (ASF)”** – A paper based on an ongoing Research project Vitiligo at Clinical Research Unit (H), Tirupati, Submitted to Director, CCRH, New Delhi.
26. **“Tumor a Unique manifestation of sycotic miasm – Conium & Thuja a wonderful Anti – Tumor combination: Few case Reports”** – Paper presented at PG seminar at Aurangabad March,, 2003 and published in the Proceedings/Souvenir.

27. **“Different Approaches in Homoeopathy and Exploring New Areas of Research”** – Paper presented at Scientific Seminar at Kakinada A.P., April, 2005 and published in the Proceedings/Souvenir.
28. **“Role of Constitutional Approach of Homoeopathy in controlling Coronary Heart Disease (CHD) Risk factors”** – Paper presented at IIHP National Conference at Hyderabad, March, 2007 and published in the Proceedings/Souvenir.
29. **“Ongoing clinical study-Diabetic Distal Symmetric Poly neuropathy (DDSP)”** – Paper presented at Seminar on Homeopathy and Research Trends” at Gudivada, September 2007 sponsored by CCRH and published in the Proceedings/Souvenir.
30. **“Exploring New Areas of Research – Ultra Low Dosage Concept and law of Similia”** – Paper presented at “Seminar on Homoeopathy and Research Trends” at Gudivada, September, 2007 sponsored by CCRH and published in the Proceedings/Souvenir.
31. **“Vitiligo – An experimental clinical study with Arsenicum Sulphum Flavum”** – Paper published in Souvenir Sugam released on the occasion of seminar on Homoeopathy and Research Trends held at Gudivada, September, 2007, sponsored by CCRH.
32. **“Research Methodology – Protocol Design and A Clinical study on Diabetic Distal Symmetric Poly Neuropathy (DDSP)”** – Paper presented at National conference at Managalore, Karnataka in December, 2007 and published in the Proceedings/Souvenir.
33. **“Ultra-Low Doses of Modern Medicines and Application in Homeopathy”** – Paper presented at **International Conference on UN Millennium Development Goals** on 24th February, 2008 organized by Institute of Education, Research & Development in association with International Homeopathic, Medical Foundation, Indian Board of Alternative Medicines, Society for Development & Peace, The Global Institutes ISO 9001:2000 Certified and New Age International University, USA held at Kolkata and published in the Proceedings/Souvenir.
34. **“Homoeopathic medicines in the management of HIV infection: An observational Study”** – Published in Indian Journal of Research in Homeopathy, Vol.2, No. 2 April – June, 2008.
35. **“Epilepsy – Clinical Study”** – Published in Clinical Research Studies, Series-1 of CCRH, New Delhi.
36. **“Bronchial asthma – Clinical Study”** – Published in Clinical Research Studies, Series-1 of CCRH, New Delhi.
37. **“Filariasis – Clinical Study”** – Published in Clinical Research Studies, Series-1 of CCRH, New Delhi.

38. **“HIV Infection – Clinical Study”** – Published in Clinical Research Studies, Series-1 of CCRH, New Delhi.
39. **“Osteoarthritis – Clinical Study”** – Published in Clinical Research Studies, Series-1 of CCRH, New Delhi.
40. **“Biochemical and Haematological Evaluation of Different Potencies of Homoeopathic Drug Ricinus Communis”** – Published in Indian Journal of Research in Homeopathy, Vol.3, No.1 ISSN: 0974-7168, January – March, 2009.
41. **“Clinical evaluation of predefined homoeopathic medicines in the management of Osteoarthritis”** – Published in Clinical Research Studies, Series-2 of CCRH, New Delhi.
42. **“Clinical evaluation of predefined homeopathic medicine in Vitiligo”** – Published in Clinical Research Studies, Series-2 of CCRH, New Delhi.
43. **“Efficacy of Homeopathic Medicines in Diabetic Distal Symmetric Poly Neuropathy (DDSP)”** – Paper presented at International Seminar on Recent Advances in Homoeopathy, Kolkata, 19th to 21st February, 2010. Published in the Souvenir.
44. **“Dysentery – A clinical Study”** – Published in Clinical Research Studies, Series-3 of CCRH, New Delhi.
45. **“Recent Advances in Homoeopathy research including Research Achievements of CCRH”** – Paper presented on 10th April, 2010 on the occasion of World Homeopathic Day at Lucknow, U.P.
46. **“Diabetic Distal Symmetric Polyneuropathy: A Case Study”** – Published in Indian Journal of Research in Homeopathy, Vol.4, No.1 ISSN: 0974-7168, January-March 2010.
47. **“A preliminary study to evaluate analgesic and behavioral activities of the homoeopathic drug, Anagallis arvensis in rats”** – Published in Indian Journal of Research in Homeopathy, Vol.4, No. 2 ISSN: 0974-7168, April-June, 2010.
48. **“Development of new Homeopathic drugs from modern pharmacology – Ultra Low Dose Concept and Law of Similia”** – Published in the proceedings of International Conference on Homeopathy, Molecular to Organismal level organized by Sukul Institute of Homoeopathic Research, India International Society for Bio-regulatory Medicine, UK Patron- Central Council for Research in Homoeopathy, Govt., of India, at Kolkata, 10, 11 & 12 December, 2010.
49. **“Evidence based clinical study to assess the usefulness of homoeopathic medicines in cases of BPH”** – Published in the proceedings of International Conference on Homeopathy, Molecular to Organismal level organized by Sukul Institute of Homoeopathic Research, India International Society for Bio-regulatory Medicine, UK Patron- Central Council for Research in Homoeopathy, Govt., of India, at Kolkata, 10, 11 & 12 December, 2010.

50. **“Preliminary studies on analgesic and behavioural activities of the homeopathic formulations of *Chenopodium ambrosioides* in experimental animal models”** – Published in Indian Journal of Research in Homeopathy, Vol.4, No. 3 ISSN: 0974-7168, July-September, 2010.
51. **“Evidence based clinical study to assess the usefulness of homoeopathic medicines in cases of BPH”** – Published in Indian Journal of Research in Homeopathy, Vol.4, No. 3 ISSN: 0974-7168, October - December, 2010.
52. **“Recent Advances in Homoeopathic Research”** – Paper presented at IIHP, Hahneman Birthday celebrations at Guntur, AP in April, 2011.
53. **“Effect of Homoeopathic preparations of *Syzygium Jambolanum* and *Cephalendra Indica* on Liver of high fat and high fructose – induced type-2 diabetic rats”** – Paper presented at 66th World Homoeopathic Congress – LIGA -2011, organized by LMHI, held from 1st Dec – 4th Dec, 2011 at New Delhi.
54. **“In vivo trail of Belladonna in prevention of JE Virus infection in mice model”** – Paper presented at 66th World Homoeopathic Congress – LIGA -2011, organized by LMHI, held from 1st Dec – 4th Dec, 2011 at New Delhi.
55. **“Evidence based clinical study to assess the usefulness of Homoeopathic medicines in patients of Benign Prostatic Hyperplasia”** – Paper presented at 66th World Homoeopathic Congress – LIGA -2011, organized by LMHI, held from 1st Dec – 4th Dec, 2011 at New Delhi.
56. **“Studies on Anti Diabetic properties of Homoeopathic preparations of *Syzygium Jambolanum* and *Cephalendra Indica* on high fat and high fructose –induced type-2 diabetic rats”** – Poster presented at 66th World Homoeopathic Congress – LIGA -2011, organized by LMHI, held from 1st Dec – 4th Dec, 2011 at New Delhi.
57. **“Suckling Mice of “Belladonna 200” Fed Mothers Evade Virulent Nakayama Strain Japanese Encephalitis Virus Infection”** – Published in International Journal of Microbiological Research 2 (3) : 252-257, 2011, ISSN 2079-2093, IDOSI Publications, 2011.
58. **“Role of Complimentary & Alternative Medical Therapies in Osteo – Arthritis – Efficacy of Homoeopathy”** – Paper presented at 15th Inter National Conference on CAM, on 12-02-2012 at Kolkata, published in the souvenir released on the occasion.
59. **“Recent Advances and Update of Homoeopathic Research”** – Paper presented at JSPS GHMC Alumni – 2012, Confluence at Ramoji Film City, Hyderabad from 15th – 16th December, 2012.
60. **“A prospective multi-centric open clinical trial of Homoeopathy in Diabetic Distal Symmetric Ployneuropathy”** – Published in Homoeopathy (2013), 102, 130 – 138.

61. **“Recent Advances and Trends in Homoeopathic Research”** – Paper published in *Medicina Futura Homoeopathica*, Vol. 1, Issue: 4 & 5, April & May, 2013.
62. **“Relevance of Homoeopathic Principles in Modern Research Trends”** – Paper presented at Sri Nyapati Venkata Srinivasa Rao Memorial Oration at Hyderabad on 26.05.2013 organized by APHA & Published in *Medicina Futura Homoeopathica*, Vol. 1, Issue: 6, June, 2013.
63. **“Development of New Homoeopathic drugs from Modern Pharmacology – Ultra Low Dose Concept & Nano Technology”** – Paper presented at Clinical Research Summit, New Delhi, on 29th July, 2013, organized by National Institute of Clinical Research, New Delhi & Indira Gandhi Technological & Medical Sciences University, Arunachal Pradesh.
64. **“Calcarea Carbonica induces apoptosis in cancer cells in p53-dependent manner via an immuno-modulatory circuit”** – Paper published in *BMC Complimentary & Alternative Medicine Journal* in September, 2013.
65. **“Evidence – based Homoeopathy: A case of acute Paraphimosis with balanitis”** – Published in *Indian Journal of Research in Homoeopathy*, Vol.7, Issue 3, July - September, 2013.
66. **“Basic principles of Homoeopathy & Ample scope for Interdisciplinary Research”** – Paper presented at 23rd All India Homoeopathic Congress of IIHP, held at Hyderabad, on 23rd & 24th February, 2014.
67. **Beneficial Antioxidative Effect of the Homoeopathic Preparation of Berberis Vulgaris in Alleviating in Oxidative Stress in Experimental Urolithiasis** – Paper published in *Forsch Komplementmed* 2014;21:7–12
68. **“The Health Spectrum and Application of Sequence Specific Homoeopathic DNA”** – Paper published in *Homeopathy in Practice* Spring 2015, UK.
69. **“DNA, the Human Genome Project and Clinical Applications in Homeopathy”** – Paper presented at 70th Congress of LMHI, RIO – 2015, Brazil.
70. **“Human Genome Project - Novel Innovations of Sequence Specific Homoeopathic DNA Remedies”** – Paper published in the souvenir Sapthathi on the occasion of 70th anniversary of Dr. GGH Medical College, Gudivada on 06.01.2016.
71. **“Human Genome Project – Application of the Sequence Specific Homoeopathic DNA Remedy System in the treatment of Rare Diseases – Ample of Scope for Research”** – Paper presented at National Conference on Rare Diseases – Raising Awareness on 07.02.2016, held at Vijayawada, AP
72. **“Human Genome Project - Novel Innovations of Sequence Specific Homoeopathic DNA Remedies and effective Clinical Applications”** – Paper presented at 24th National Homoeopathic Congress of IIHP on 13.02.2016 at Nagapur, Maharashtra state.

73. **“The Human Genome Project and Clinical Applications in Homeopathy”** – Paper presented at 15th AP State Convention of IIHP, on 20.11.2016 at Visakhapatnam, Andhra Pradesh state.
74. **“Role of Sequence Specific Homoeopathic DNA remedies in age related clinical conditions”** – Paper presented at 4th International Conference of World Congress on Gerontology & Geriatrics 2016 from 23rd – 25th November, 2016, Bengaluru.
75. **“Role of Homoeopathy & Yoga in the management of Life Style Disorders”** – Paper presented at SEER – 2017, 2nd AYUSH Govt. Doctors Conference held at Hyderabad on 22nd September, 2017.
76. **“Modern Medical Research Trends & Basic Research in Homoeopathy”** – Paper presented at 25th National Homoeopathic Congress of IIHP held at Chennai on 2nd & 3rd December, 2017.
77. **“Modern Research Trends & Relevance of Homoeopathic Principles”** – Paper presented at JSPS Golden Jubilee Celebrations held at Hyderabad on 23rd & 24th December, 2017.
78. **“Over view of Rheumatological disorders, Scope of Homoeopathy, Research update & New innovations”** – Paper presented at 2 – Day National Workshop on Rheumatological Disorders held at Gudivada on 27th & 28th December, 2017.
79. **“Standard Treatment Guidelines of Diabetic Distal Symmetric Polyneuropathy”** – Paper presented at Scientific Convention on World Homoeopathy Day, 10th & 11th April, 2018 at Vigyan Bhavan, New Delhi.
80. **“Novel Approach of Treating Infectious Diseases with SSHD remedies”** – Paper presented at World Congress on Infectious Diseases held at Indian Institute of Science, Bengaluru on 28th & 29th November, 2018.
